TOC - BUILD YOUR MODEL:
WEEK 4 ACTIVITY

About this activity

This activity sheet reflects the activity steps documented on your Mural activity. Use this as a summary of the steps and document your answers in Mural.

This activity refers to the template:

M Building a TOC Activity Template *(in Mural - you will have received an individual link via email)*.

---

1 **MOVE YOUR TOC MODEL TO DRAW.IO**

Follow steps 1 - 7 in Week 4's information Sheet '4.1 Theory of Change - Draw.io for Evaluation Frameworks' to copy your model into Draw.io

Note

- Drag the pin to the archetype you choose for your model.

---

2 **USE DESIGN TO ENHANCE YOUR TOC MODEL**

Follow step 8 in Week 4's information Sheet '4.1 Theory of Change - Draw.io for Evaluation Frameworks' to add colour to your model.

---

3 **SAVE AND EXPORT YOUR MODEL**

Follow steps 9 - 11 in Week 4's information Sheet '4.1 Theory of Change - Draw.io for Evaluation Frameworks' to save and export your model.

Note

- Export the model as a PDF.

---

4 **SHARE YOUR MODEL IN MURAL**

Import your exported TOC model into your activity Mural.

A. Open the location of the PDF on your computer.

B. Drag the PDF onto this MURAL and place on the 'Your Model' area on the right-hand side.

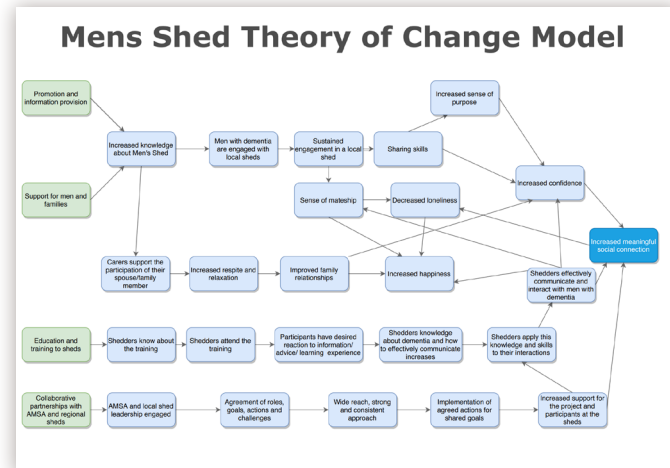

EXAMPLE Activity

By the end of the activity your TOC will be transferred to Draw.io and exported into a PDF format.

The image below to the left shows an example of a TOC transferred to Draw.io and exported to a PDF for sharing.

Visit the example Mural via the training page website to see how steps 1 - 4 were completed.
